

Ask Melody!

Want to go try holiday shopping on your own, **here are 10 prompts** you can put into ChatGPT to try out.

- 1 What is an awesome White Elephant or Secret Santa gift under \$25?
- 2 I hate cooking, what is an easy holiday menu that will impress my guests?
- 3 How do I make giving experiences more exciting to open?
- 4 How do I convince my significant other to do all of the holiday shopping this year?
- 5 What gifts can I get my kids to detox from screens?
- 6 My kid wants a dog, how do I make their holiday feel special without actually getting them a dog?
- 7 I have multiple people that work from home in my house, what are thoughtful gifts for a remote worker to elevate their home office experience?
- 8 Holiday decor can get expensive, how can I give my house some festive flare on a budget?
- 9 I'm searching for a memorable gift for someone who's passionate about sustainability and the environment. Any suggestions?
- 10 I've never hosted a holiday party before. What are the must-have essentials to make it a hit?
